## Pharmacy Benefit

Our negotiated Pharmacy Benefit allows covered medications to be dispensed in quantities of 34 day or 100 day supplies. The pharmacy will fill the prescription in the amount that the provider writes on the prescription. There are many plans that allow 30 day supplies of medication and if you do not make your doctor aware that we have negotiated the 34 day language, they will probably write the prescription for 30 days and you will not be getting your maximum benefit.

Thank You,  
Jon Neil, Benefits Rep.
