Dependant Coverage

I want to remind everyone that if you have a life changing event, (recently married, birth of a child, adoptions) it is extremely important that you contact Deere Direct within 30 days of the event and let them know about the dependent change. If this does not happen, dependant coverage will start on the day of notification, and will not be back dated. If you have any question, call me at the union hall.

Thank You,
Jon Neil, Benefits Rep.
