Important Ambulance Information

If an ambulance is called on your behalf, do not refuse transportation to the hospital. When you refuse to be transported, United Healthcare will refuse to pay the bill. In some cases this doesn't make sense but this is the way it is. I would encourage you to take the ride under any circumstance even if you feel better, someone over reacted, etc. If an ambulance is called, take the ride. The ER co-pay is cheaper than paying the bill for the ambulance.

Thank You,
Jon Neil, Benefits Rep.
